**You are invited to this year's Northwest District Leadership Training Event! Leaders of all ages, experience and ministries are invited to come for a day of encouragement and to receive and develop new ministries skills. Our focus this year, "Change the World" will continue to challenge us to develop new ways to "Make Disciples of Jesus Christ for the Transformation of the World". This is a great opportunity to come together and meet with other local church leaders from around the district and to be reminded of why we do what we do!**

**Please check with your pastor or lay leader for more details including a full list of workshops.**
