Thanksgiving Ingathering

November 1, 1980, the campus at Westmar College in LeMars, Iowa was alive with people bringing blankets, kits, animals, and corn. The people were excited, curious, expectant, and joyful! It was the first Thanksgiving Ingathering.

Thirty years ago this lay mission movement rose out of a casual conversation concerned about the contrast between the hunger and poverty experienced by so many around the world while others lived in luxury.

Micah 6:8 says that the Lord requires us "to act justly and to love mercy and to walk humbly with your God." When we share from our abundance

we are acting justly and reflecting our desire to serve God.

Projects supported by event donations include Self-Help International, Heifer Project International, Church World Service, Iowa-Nigeria Partnership, United Methodist Committee on Relief, Personal Energy Transportation, and local food pantries across the state of Iowa.

Several sites host events every fall on the first Saturday of November, including Cherokee, Webster City, Cedar Falls, Mount Pleasant, and Greenfield. More details about the contents of the relief kits and other information regarding the Thanksgiving Ingathering can be found at www.iaumc.org/pages/detail/1017.
