IOWA ACADEMY FOR NEW MINISTRY DEVELOPMENT

"The readings and discussions give me different perspectives to more effectively lead my congregation." So wrote one of the participants in the Iowa Academy for New Ministry Development.

The Academy is an intensive two-year continuing education process which provides support and training to persons seeking to start new churches or revitalize existing ones.

Building on an exploration of spiritual gifts and nurtured in an atmosphere of trust and openness, participants are developed as leaders and encouraged to dream of, and act upon,

the potential ministries their congregations are being called to pursue.

The Academy develops leaders while helping them further discern God's call on their lives in ministry. Pastors and their lay partners network with peers, read and discuss relevant books, hear the stories of teaching churches within Iowa and around the country, and pray and worship together.

Scott Hibben (pictured), Leadership Development Minister for Evangelism and New Ministry, works with the Academy planning team along with the Parish Development Standing Committee of the Board of Global Ministries. More information can be found at www.iaumc.org/anmd.
