### **New Directions Shelter, Hawthorn Hill, Des Moines**

The New Directions Shelter provides free, temporary, emergency shelter and services for homeless mothers and their children. It is one of two programs of Hawthorn Hill, a mission agency in Des Moines supported in part by gifts from United Methodist churches in Iowa.

Hawthorn Hill helps families who are experiencing homelessness in Iowa. Their mission is to establish and operate housing programs for homeless families with children that help them obtain permanent housing and to provide services to help families achieve economic self-sufficiency.

Since opening in February of 1990, New Directions Shelter has offered a home environment that is drug and alcohol free. The facilities include eight private bedrooms, balanced meals, and bathroom and laundry facilities. Clothing and medical care also are provided as needed.

The primary goal of New Directions Shelter is to offer all guests an atmosphere of hospitality which emphasizes dignity and respect for others, encouragement for positive change, and the emotional and physical space necessary to make responsible, informed decisions for securing housing for their families.
