President's Message

Greetings,

April Showers bring May Flowers or at least that is what I've been told! This year, not only will April Showers bring us flowers, April will also bring us Assembly in St Louis MO. Now for some of you, maybe you have had the privilege of attending Assembly before. But for me, it's a first time experience and I am looking forward to every second. For those of you who will not get to enjoy this venture, we have our Mission Study which will be held at Grace United Methodist Church in Des Moines, April 17. *The Beauty and Courage of Sudan* with study leader Judy Marnin, member of GBGM Mission Study Group. Try not to miss this – Judy is inspiring!

School of Christian Mission will be in July – that may seem like a long time away, but we all know it will be here before we turn around! Registration (p. 7) and Scholarship (insert) Forms for both SOCM and MEE are in this Communiqué. (see insert)

If you are in a Unit that has never had anyone attend OR if you have never attended! - apply for one of these Scholarships – you will have an unforgettable experience, meet lots of friendly ladies and learn more than you ever imagined about who we are as United Methodist Women. I'm looking forward to seeing many of you there!

Have a great Summer – see you in July!

De Streeter, President

Pass It On!

If this issue was mailed to you in error, please give it to the current officer and let Ruth Jackson or Linda Blazek Garvin know. Each unit President, Secretary, Vice President and Treasurer are to receive a copy and should make extra copies. as needed.

Thoughts from your Vice President —

In January, Mary Quam who was elected Vice President of Central District at our September annual meeting, found it necessary to resign her position for health reasons. I will be taking her place for 2010-2011, and some of you will remember that I am the past District Treasurer, Ruth DeVries

As your new vice president (elected at the January 2010 meeting of District Officers), I look forward to working with so many of you I already know and hope to meet and work with many new faces of women committed to the values of United Methodist Women.

I hope you've had a chance to do some reading in the 2010 Program Book. This can help you lead your unit at your circle, executive board and general meetings. Sometimes all it takes to "spark" an interest in your group is one person's awareness of "what's going on" with UMW. YOU can be that person.

As district friend to several Central units, I will spend some individual time with these units to help promote the 2010 program book and as I learn more about my job duties will try to keep in touch with all other units thru the Communiqué.

I hope to meet many of you Vice Presidents and other unit members at District Meetings-----those coming up are April 17, Mission Study day; July 18-22, SOCM; September 18, Central District Annual Meeting; Oct. 2, IA Conference UMW Annual Meeting, and Oct. 15-17 MEE.

Contact me if you need help. I'll do my best to get you the answers you need.

SECRETARY

The first quarter of 2010 is behind us. Local unit meetings are in full swing for the year by now. I would like to offer a refresher course on what information needs to be included in minutes from meetings.

- 1) Note the name, date, call to order time, and location of the meeting.
- 2) Either list or state the number of attendees. Some minutes also record persons not in attendance either by name or number, but that depends on the preference of your unit.
- 3) Use the agenda as your guideline. Minutes are to record the information and actions of your unit. They do not have to be word for word discussion. In fact, the only time it is recommended to use names in minutes is for either motions and seconds or assignment of tasks.
- 4) If you refer to other documents, be sure to attach a copy to the approved minutes.

- 5) Note the adjournment time.
- 6) End the minutes with "submitted by" and your name.

The minutes you write serve as a historical document for the unit. Accuracy must be maintained. It is a good idea to have at least one other person proof read the document before submitting the minutes for final approval.

On a personal note: please change my contact phone number to the following: 515-681-1752

Happy Spring!

Spiritual Growth

Thank you to all those who attended the Day Apart/Spiritual Growth Retreat. It seems that spring in Iowa can be a mixed bag of weather. At least the roads were clear going home. A special thank you to the UMW of West Des Moines UMC. They did a wonderful job of keeping us happy.

The warm days remind us of God's love and the many things that He has placed on this earth for us to enjoy. Get outside to enjoy the sunshine, the warmth, the mealy soil and the flowers that are sticking their heads out of the ground. Spring is such a renewal of all things miraculous.

MEMBERSHIP, NURTURE, AND OUTREACH

Thank you for sending in Membership Reports! It is important to get these records accurate and you did a great job getting the information to us.

Have you invited anyone to visit your UMW or circle meeting as a guest? Maybe the lady who sits in the next pew on Sunday morning, a friend who possibly does not have a church or a new church member? We don't want to "assume" someone has already invited her (maybe noone has), or she said "no" last year (things change in our lives). Today might just be the day for her to say "yes" and visit your UMW or circle meeting.

If you have any questions or concerns regarding your UMW unit, please be sure to contact your District Friend who will be able to help you. Have you checked to see who your District Friend is for 2010 and 2011? (List is in the January 2010 Communique p. 6) Don't wait to contact her until there is a need. Invite your "Friend" to your next UMW meeting.

SOCIAL ACTION

People in Iowa are close to the land. We have always looked for ways to protect our land and environment. Now we have a wonderful resource that recognizes that our faith asks us to be good stewards of God's creation.

IOWA INTERFAITH POWER & LIGHT at 505 5TH Ave. Suite 333, Des Moines IA and www.iowaipl.org supplies printed material and speakers. This ecumenical group informs us on how to save money and energy use in our churches and homes. Their suggestion is to tithe 10% in the

Christian tradition by reducing our energy use by that much. An example of a simple way of doing this is to unplug all electrical items in the home when they are not being used. We can all reduce our carbon footprint.

Blessings,

Linda Rullan, Social Action Mission Coordinator

Program Resources

I hope you are enjoying the 2010 reading list. I will have books at the Mission Study Day, April 17 at Grace UMC. Bring your book bag for your purchases!

"The April 2010 issue of Response will be a supplement to the new mission study, "Joy to the World." It will feature a Bible study on mission, features on mission in the world today, articles on United Methodist Women-supported national mission institutions and a deaconess, and more!"

There will not be an issue of Response that will focus specifically on the spiritual growth study, but you will find articles/resources that will compliment the spiritual growth study starting with the May issue.

The New World Outlook May/June issue should have articles featuring our mission study "Joy to the World". Did you know that NWO is going digital? A year's subscription is only \$10.00. Check it out at <http://gbgm-umc.org/nwo/>

The 2010 reading program ends on June 30. Have your reading records to me by the end of July. I will need the name and category that each person achieved.

Do you know what's on the back of the Reading Program Catalog?
