

Summer was exciting, exhausting, and **blessed** by God as MUMMS volunteers took Jesus to “all God’s children”. Through Vacation Bible School, tornado/flood clean-up and J.O.Y. Camp, God’s love was evident in so many ways.

**Volunteers** are what make this ministry successful. People who take vacation to be camp counselors, men and women who sweat gallons as they clean up tornado damage, volunteers sharing Jesus through VBS...it was incredible!

This summer marks 12 years of MUMMS traveling and being the “church without **walls**”! As director, **I always** tell people, in this ministry, there is something for everyone to do! Do you want to be a missionary right in your neighborhood?

Give me a call...**God has something for you** to do with Mobile United Methodist Missionaries!
