### Payment Plan:

The total cost for your participating church is \$2500 for the entire multi-year process which includes trained coaches, hard copy/downloadable materials, and workshops in your region – all facilitated through the *Center for Parish Development Consulting Ministry*. By engaging as a Conference together in this process, we are grateful to benefit from this discounted rate.\* Checks are payable to the Iowa Annual Conference with the notation “CO-MISSIONED” on the memo line, and are sent to Barb Mann at UMC Conference Center, 2301 Rittenhouse Drive, Des Moines, IA 50321. An initial down payment of \$250 in conjunction with this document is required. Please mark with an “x” your payment plan for the balance due below:

\* Besides the creative benefits of our statewide collaboration, the financial cost for this experience would range from \$10,000 to \$15,000 per church per year if contracting independently with *The Center for Parish Development*. By joining together each church instead could pay up to only \$2500 overall, and an extensive team of Iowa coaches is being equipped to coach many more churches in the future. As of early 2009, there are already 18 churches and over 20 coaches participating in this process.
