

Mobile UM Missionaries Update

February, 2009

Believe it or not...spring will come and that means summer is just around the corner. With snow, ice and freezing temperatures, I ordered the new VBS material today! The theme is Camp Edge and oh, it promises an exciting teaching experience for us all.

Do you want more children in your congregation? Is your congregation one which says..."we are tired and we have done that before"? Has it been years since your church held a Vacation Bible School.....OR have you heard the statement..."there aren't any children out there".....THEN..please call me!

As director of Mobile UM Missionaries, God has shown me over the years that there are CHILDREN everywhere BUT in our churches. For example...we are holding a weekly after school program in a town where the UMC averages 7 in worship on Sunday but EVERY Tuesday we have 18-22 children come to learn about JESUS!!! What a time we have as we teach, sing, do crafts and ALOT of laughing! My point is, the children are out there and they are like sponges ready to soak up the word of God!

If you answered YES to any of the above questions, then PLEASE contact ME! I am working on the MUMMS summer schedule and would REALLY like to come help you bring Jesus to the children in your community! BELIEVE ME, they are there....I call them the invisible children.

God has given us the choice to reach out, love and grow OR to be content AS we are. Which do you and your congregation choose??

Jesus commanded His disciples to "Go out and train everyone you meet, far and near, in this way of life, marking them by baptism in the threefold name:Father, Son, and Holy Spirit. Then instruct them in the practice of all I have commanded you. I'll be with you as you do this, day after day after day, right up to the end of the age." (from the Message) Matthew 28:10

I leave you with this question??? WHO is going to teach the children if you and I don't??

Blessings to you,
Peg Egbert, director of Mobile UM Missionaries
