

Parking/Handicap Parking Information for Simpson College:

If you can print off the campus map also on this website under Simpson College Downloads it may help to follow along. When you pull into the parking lot on the corner of North C St. and W. Clinton Ave. there are handicap parking spaces on the right side as well as open parking spaces. You can walk into the south entrance of Hillman Hall (#20 on campus map) which is attached to McNeill (#28). Walk all the way through to the end of the building and go through door #11 on the left that leads back into McNeill. There are no stairs to climb.

The cafeteria is in Pfeiffer Dining Hall/Great Hall (#29 on map). You'll have to drive over there so go out of the parking lot and take a left heading down W. Clinton Avenue, turn left onto N. Buxton Street and pull into the parking lot on the left. One of the buildings that sit along side the parking lot is #5 Barker Residence Hall. You'll have to walk to the next building #29 which is Pfeiffer Dining Hall.
