Disaster Preparedness

April 9, 2011, severe storms pelted the northwest part of Iowa. Almost immediately United Methodist leaders mobilized to help with clean up efforts.

In the midst of tragedy, volunteers have observed smiles on the faces of victims as they find keepsake pictures in the rubble of the storm.

Sarah Stevens, the Field Outreach Minister serving in the Northwest District of the Iowa Conference, worked with her colleague Bernie Colorado, the District Superintendent, to contact pastors in the communities hardest hit by tornadoes.

She wrote, "Catie and John Newman,

our Northwest District Disaster Response Coordinators, have been hard at work since the first storm hit and have been helping to keep us and our brothers and sisters throughout the conference aware of what is needed and how we can help."

Trish Burket, the Disaster Response Coordinator for the Iowa Conference, recently released a Conference Disaster Plan to train individuals, churches, and district and conference leaders to create their own disaster response plans.

The Iowa Board of Global Ministries receives apportioned funds for the work of the Standing Committee on Disaster Preparedness and Response. Thank you for your support.
