Children Support Mission at Windsor UMC in Des Moines

At Windsor United Methodist Church in Des Moines, the time came for the children to bring quarters to the front of the church in support of their mission project, Heifer International.

Heifer International is one of the many mission organizations supported by United Methodist churches in Iowa. Learn more about their ministry at their website, www.heifer.org.

The children were demonstrating the mission of their congregation:

- proclaiming God's love through word and deed,
- nurturing one another in faith, and
- reaching out in compassion to

persons of the local community and wider world.

One little girl dashed down the side aisle, seemingly breaking the 20-yard dash record. Several of the other children decided that running to the front of the church was a much more appealing option than walking.

They brought their own quarters and any change that they collected from others in the pews. The quarters were deposited with great relish by the children in the silo tube up in the front of the sanctuary.

Running to give with joy – that's our United Methodist connection at its best. "And a little child shall lead them." (Isaiah 11:6b)
