Mentor/Mentee Covenant Report

Each year the mentee and clergy mentor are responsible for writing a report on the work they have done. This report is between the mentee and the mentor and gives both persons the opportunity to reflect on what has been discussed as well as future topics. It is the responsibility of the mentee to begin the process and then share it with the mentor. Discussion is to continue until there is a common agreement as to the contents. **This signed report is to be kept solely by the clergy mentor and the mentee.** This report is designed to assist mentors and mentees toward mutual accountability as set forth in the Mentor/Mentee Covenant.
