

Directions to Cornell College

Travel east on Highway 80 until you get to the Highway 1 North exit (towards Mt Vernon). Take that to the intersection of Highway 1 and Highway 30 (it is a traffic circle or round-about). Keep going on Highway 1 until you get to downtown Mount Vernon and a stop light. At the stop light turn left--it is First Street. Go through town, Cornell will be on the left. You will see a limestone sign that says "Cornell College." A little way further you will see a second sign on the left just like the first one. Right after the second sign turn left and travel up the hill to the Thomas Commons Building at 810 Commons Circle SW. You can drop off folks here but please do not park on the circle. There is one handicap parking space available on the circle and the only authorized parking space.

The rooms that we use at the College are on ground level with access from the back of the building, which is where you will be coming from. Again, you may contact Cornell College Campus Safety for assistance at 319-895-4299.

Parking & Permit

Please park in the staff/faculty parking lots at the corner of Summit Avenue and College Blvd. You can use either lot H or F, they are both next to each other and it doesn't matter which one you want to use as long as you have the parking permit in the window. You can find the parking map and parking permit on the [SLM Website](#) under Cornell Campus Information.
