

NEIGHBOR HELPING NEIGHBOR OFFERING

Neighbor Helping Neighbor funds are used for direct assistance for persons who are victims of the on-going Iowa rural/farm/business/job crisis. This is emergency assistance money that is provided in small grants. It can be used to help persons who are suffering loss of livelihood from farm, small business or job. Grants have been given for a wide variety of needs. Neighbor Helping Neighbor is also an Iowa Conference Advance Special Project. Churches can give to Advance Special #312 at any time.

Local churches or district superintendents can apply for funds from this offering to help persons in need. Grant checks are made out to the business or local church.
